

TERMS AND CONDITIONS | INFORMATIONS

TARGET GROUP

Medical doctors in anaesthesia

THE COURSE FEE INCLUDES

Lectures and workshops: refreshments, certification, lunch, e-book on regional anaesthesia
Lectures only: refreshments, certification

REGISTRATION DEADLINE

22nd September 2021

COURSE LANGUAGE

Lectures and workshops: English

ACCREDITATION

	LECTURES	WORKSHOPS	TOTAL
SSAR-SGAR:	3 Credits	5 Credits	8 Credits
SSUM-SGUM:	3 Credits	5 Credits	8 Credits
SSMUS-SGNOR:	3 Credits	5 Credits	8 Credits

ARRIVAL

Public transport: from the train station of Lausanne, take the subway to "Croisettes" and get off at the station "CHUV".
Private transport: a public parking is available in the hospital.

CONFIRMATION OF PARTICIPATION

Following receipt of your email and payment, you will receive the registration confirmation.

CONDITIONS OF WITHDRAWAL

Cancellations must be carried out in writing.
Upon withdrawal to 4 weeks prior to the start of the course, participation fees are refunded to 100%. Up to 7 days before the start of the course, 50% of participation fees will be refunded.
For later cancellations or absences from the course, the full participation fees will be charged.

SCIENTIFIC COMMITTEE | FACULTY

SCIENTIFIC COMMITTEE

PD Dr Eric Albrecht, MER, DESA
Program director of Regional Anaesthesia

Prof. Christian Kern
Head of the Department

Department of Anaesthesia, University Hospital of Lausanne (CHUV) and University of Lausanne, Switzerland

FACULTY

Dr Kariem El-Boghdadly, BSc, MBBS, FRCA, EDRA
Consultant anaesthetist, Department of Anaesthesia, Guy's and St Thomas' NHS Foundation Trust & King's College London, London, United Kingdom

PD Dr Roxane Fournier, MD
Staff physician, Department of Anaesthesia, University Hospital of Geneva, Geneva, Switzerland

Dr Sylvain Gander, MD
Consultant anaesthetist, Department of Anaesthesia, Ensemble Hospitalier du Nord Vaudois, Yverdon-les-Bains & Saint-Loup, Switzerland

PD Dr Sina Grape, MD
Head of the Department, Department of Anaesthesia, Hôpital du Valais, Sion-Sierre, Switzerland

Dr Pablo Mondragon, MD
Consultant anaesthetist, Invasive pain specialist, Department of Anaesthesia, Hôpital Cantonal de Fribourg, Fribourg, Switzerland

Dr Moira Robertson, MD
Consultant anaesthetist, Department of Anaesthesia, Groupement hospitalier de l'ouest lémanique, Nyon, Switzerland

Dr Kris Vermeylen, MD, PhD
Consultant anaesthetist, Department of Anaesthesia, and Intensive Care, AZ Turnhout, Turnhout, Belgium

PD Dr Marc Suter
Department of Anaesthesia, University Hospital of Lausanne (CHUV) and University of Lausanne, Switzerland

REGISTRATION

Please send an email to info@SACAR.ch with your details (address, phone number and email) and indicate whether you want to attend the lectures and workshops or only the lectures.

Then proceed to the payment.

REGISTRATION FEE

Lectures and workshops:
Physicians 550 CHF
Residents (no IFSM title) 450 CHF
Number of participants to the workshops limited to 48

Lectures only (morning):

Physicians 250 CHF
Residents (no IFSM title) 200 CHF
Number of participants to the lectures: unlimited

Please note that your registration will be confirmed only by email after reception of the payment.

THE 7TH REGIONAL DAY OF WESTERN SWITZERLAND

25th September 2021
University Hospital of Lausanne (CHUV) Lausanne – Switzerland

Endorsed by:

Dear Colleague

It is with great pleasure that we invite you to this 7th Regional Day of Western Switzerland that will be held on Saturday, September 25, 2021 in the University Hospital of Lausanne.

INTRODUCTION

Again this year, we have invited major European experts in Regional Anaesthesia who will give 'hot topic' lectures in the morning and be able to answer any concerns that you might have when you provide regional anaesthesia. In addition, we have repeated the workshop formula that delegates felt was a great success previous years. Participants will have the opportunity to attend 8 different stations to learn the anatomy and practice an incredible number of peripheral nerve blocks on models, along with gastric ultrasound. The workshop will start at noon, and groups of maximum 6 participants will rotate every 30 minutes. Every instructor is a national or European expert who will show you many tricks and tips to help you achieve a high success rate. We are convinced that that this meeting will provide exciting and comprehensive up-to-date learning opportunities for both consultants and trainees.

We greatly appreciate the help from Aesculap Academy with the organisation of the symposium, and also the support of the medical companies involved for their financial contribution and provision of ultrasound machines.

We extend a very warm welcome to you and look forward to seeing you in Lausanne.

PD Dr Eric Albrecht
Chairman of the
scientific Committee

Prof. Christian Kern
Head of the Department
Department of Anaesthesia
University Hospital of
Lausanne (CHUV)
Switzerland

DATE | VENUE | PROGRAM

DATE AND VENUE

Saturday, September 25,
University Hospital of Lausanne (CHUV)
Auditoire Mathias Mayor – BH08
Rue du Bugnon 46
1011 Lausanne

LECTURES

- 07:30 Registration and welcome coffee
- 07:50 | Welcome
Prof. Christian Kern, PD Dr Eric Albrecht
- 08:00 | Best top-up recipes for epidural analgesia
Dr Moira Robertson
- 08:30 | General vs spinal anaesthesia for lower limb arthroplasty
Dr Kris Vermeulen
- 09:00 | Epidural catheter: still the gold standard for abdominal surgery?
Dr Kariem El-Boghdadly
- 09:30 Break
- 10:00 | Analgesic blocks for hip fracture
Dr Kris Vermeulen
- 10:30 | Periclavicular blocks for upper limb surgery
PD Dr Sina Grape
- 11:00 | Point-of-care gastric ultrasound
Dr Kariem El-Boghdadly

WORKSHOPS

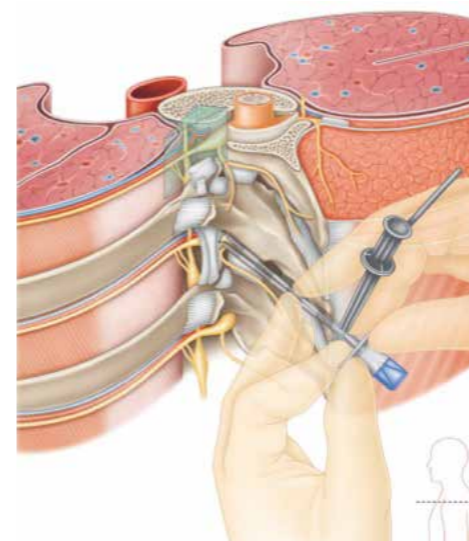

WORKSHOPS

- 11:45 – 12:45 | 2 stations
- 12:45 Lunch break
- 13:30 – 16:30 | 6 stations
- 16:30 | Assessment and certification
- 16:45 End

| Station 1
Blocks above the clavicle (interscalene, supraclavicular blocks)
Dr Sylvain Gander

| Station 2
Blocks below the clavicle (infraclavicular, retroclavicular, axillary)
PD Dr Sina Grape

| Station 3
Chest wall blocks (PECS I, II, SAP block, PIP block)
Dr Moira Robertson

WORKSHOPS

| Station 4
Abdominal wall blocks (rectus sheath block, TAP, QLB, Ilioinguinal-iliohypogastric blocks)
Dr Kris Vermeulen

| Station 5
Blocks on the thigh (fascia iliaca, femoral nerve, adductor canal, obturator nerve blocks)
PD Dr Roxane Fournier

| Station 6
Sciatic nerve block along the leg and ankle block
Dr Pablo Mondragon

| Station 7
Neuraxis (spine, PVB, RLB, ESP, ITP blocks)
Dr Marc Suter

| Station 8
Gastric assessment
Dr Kariem El-Boghdadly

We reserve the right to change the program / speakers without additional notice
